

2021 CARTER COUNTY COMMUNITY FUND GRANTS

OLIVE HILL COUNCIL FOR PLANNING AND RESTORATION.....\$1,000.00

Cycling Olive Hill

Cycling Olive Hill is a developing plan to encourage the community to engage in riding bicycles or walking along with their children while they ride their bikes. This grant helped to add a bike repair stand in the Recreational Park/Welcome Center Area. The bike repair stand shows the community the area is bike friendly and provides instant help if a bicycle becomes damaged along the route.

Olive Hill Community Mural Program (First Mural)

The Olive Hill Center for the Arts and Education plans to create a mural program in the town of Olive Hill. These murals will depict local history, creative expression, and/or community themes. The goal is to paint murals all over town as a large tourist attraction. The murals will give the town a makeover and inspire positive change in the community. This grant will help in creating the first mural that will get this program off the ground.
