The Foundation for the Tri-State Community, Inc. is pleased to announce the recipient of the 2021 Greenup County Green Fund Project Award.

The City of Russell received \$1,000.00 for the Downtown Flower project. Flower baskets will add color and beauty to revitalize the downtown business district. This beautification effort will enhance the natural environment and quality of the downtown area.

The Greenup County Green Fund was established in 1999 in memory of Owen and Doris Pillans. The purpose of the Fund is to encourage projects that physically improve and enhance the natural environment, and quality thereof, in Greenup County, Kentucky and to support educational or research projects that promote or develop these goals. 2021 marked the 20th year of Project Awards from the Greenup County Green Fund.

The Foundation for the Tri-State Community, Inc. is a 501(c)(3) community foundation located in Ashland, KY. The Foundation's mission is to improve the quality of life in the Tri-State area by encouraging, raising, administering and distributing gifts for charitable, cultural, educational and scientific purposes.
